Assessment and out outcome of certificate course

Certificate Course in budget is designed to enable the learners to cope with budget system in the country. It is basically a certification course, the duration of which is one year. The Certificate Course in budget mainly emphasizes on providing the basic understanding of the formation of budget to the students.

The course is primarily designed for those students who have interest in Economics. The basic objective of this certificate course is to gradually develop their clear understanding of the planning of economic development which enables the students to have a greater knowledge of fiscal & monetary policies. After completion of this certificate course the students will able to define Components of Budget, Budget of Public Revenue and Expenditure, Budgetary Deficits, Union Budget, State Government Budget etc.

Assessments are done through class room interaction, debate, presentation etc. All students successfully completed the course for the given year.

2020-21 summary report

During 2020-21, 30 students were enrolled for the course and this course is offered to the B.A students. The course duration was one year. The main aim of this certificate course was to provide the basic understanding of revenue expenditure system of the government. This course helped the students to understand the basics of union and state budgets. The course offered the knowledge of budget. We conducted presentation and debate in this course. We also telecasted the recordings of union and state government budget. This gave them a greater knowledge of the budget. All the students who completed this course were awarded the certificate.
