Teachers and authorities :

The teachers shall

- discharge their professional responsibilities according to the existing rules of competent authorities from time to time and adhere to procedure and methods consistent with their profession in initiating steps through their own institutional bodies and/or professional organizations for change of any such rule detrimental to the professional interest.
- not undertake any other employment and commitment including private tuitions and coaching classes;
- co-operate with the authorities for the betterment of the institutions keeping in view the interest and in conformity with dignity of the profession;
- give and expect due notice before a change of position is made; and
- refrain from availing themselves of leave except on unavoidable grounds and as far as practicable with prior intimation, keeping in view their particular responsibility for completion of academic schedule.

Teachers and non teaching employees :

- the teachers should treat the non-teaching employees as colleagues and equal partners in a co-operative undertaking, within every educational institution.
- the teachers should help in the function of joint staff council covering both teachers and the nonteaching employees.

Teachers and Society:

The teachers shall

- recognize that education is a public service and strive to keep the public informed of the educational programmes which are being provided.
- work to improve education in the community and strengthen the community's moral and intellectual life.
- be aware of social and economical problems and take part in such activities as would be conducive to the progress of society and hence the country as a whole.
- perform the duties of citizenship, participate in community activities and shoulder responsibilities of public office.
- refrain from taking part in or subscribing to or assisting in any way, activities which tend to promote feeling of hatred or enmity among different communities, relations or linguistic groups but actively work for National Integration.
